Ample Hanging Space Eleven durable rods provide plenty of hanging space conducive to adequate airflow for faster drying. Four rods span horizontally along the top, creating a flat surface that works well for drying sweaters, while the seven remaining rods strategically placed below nicely accommodate anything from socks, underwear, and t-shirts to towels, sweatshirts, and jeans.

Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have died), or because they never had such functions and are classified as inanimate. Various forms of life exist, such as plants, animals, fungi, protists, archaea, and bacteria.
