A First Course in Mathematical Statistics MATH 472 Handout, Spring 04 ... This course is a sequel to the introductory probability course MATH471. These notes will be used as a basis for the course in combination with a textbook (to be found among the references given below).

A First Course in Mathematical Statistics

at the Hong Kong University of Science and Technology. This applied mathematics course is primarily for first-year mathematics major and minor students. Other students are also welcome to enroll, but must have the necessary mathematical skills. My main emphasis is on mathematical modeling, with biology the sole

applica-tion area.

Mathematical Biology - Department of Mathematics, Hong

Mathematical Biology L. Glass, J.D. Murray Mechanics and Materials R.V. Kohn Systems and Control ... mathematical parts in which the biological connection was less immediate have been ... of course, how closely they relate to the real biology. There are numerous examples in the book.

Mathematical Biology: I. An Introduction, Third Edition

Mathematical Methods for Physicists A concise introduction This text is designed for an intermediate-level, two-semester undergraduate course in mathematical physics. It provides an accessible account of most of the current, important mathematical tools required in physics these days. It is assumed that
