A Sentimental Journey Through France and Italy is a novel by Laurence Sterne, written and first published in 1768, as Sterne was facing death. In 1765, Sterne travelled through France and Italy as far south as Naples, and after returning determined to describe his travels from a sentimental point of view. The novel can be seen as an epilogue to the possibly unfinished work The Life and Opinions ...

The Journey was written in a way that requires group members to study each lesson outside of the group time before attending the group. During the group, leaders do not simply go through each question, but they seek to draw out what God has been doing in the lives of the group members as theyâ€™ve studied on their own.
