A Mind That Found Itself by Clifford Whittingham Beers

Doctor Jekyll did tell him it had been found necessary to place me in "restraint" and "seclusion" (the professional euphemisms for "strait-jacket," "padded cell," etc.), but no hint was given that I had been roughly handled.

A Mind That Found Itself: An Autobiography

A Mind that Found Itself is Beers's own story, as one of five children who all suffered psychological distress and were all confined to mental institutions at one time or another. Beers, who wrote the book after his own confinement, gained the support of the medical profession and was a leader in the mental hygiene movement.

His ultimate recovery is a triumph of the human spirit. The publication of A Mind That Found Itself did for the American mental health movement what Thomas Paine's Common Sense did for the American Revolution. Moreover, it grips the imagination of readers not because it is a document of social reform but because it is a superb narrative.
