Academic writing, or scholarly writing is a prose style. Normally delivered in an impersonal and dispassionate tone, it is targeted at a critical and informed audience, based on closely investigated knowledge; and intended to reinforce or challenge concepts or arguments. It usually circulates within the academic world ('the academy').

An English writing style is a way of using the English language.. The style of a piece of writing is the way in which features of the language are used to convey meaning, typically but not always within the constraints of more widely accepted conventions of usage, grammar, and spelling.. An individual's writing style may be a very personal thing.
