airline cost and performance pdf

A low-cost carrier or low-cost airline (occasionally referred to as no-frills, budget or discount carrier, and abbreviated as LCC) is an airline without most of the traditional services provided in the fare, resulting in lower fares and fewer comforts. To make up for revenue lost in decreased ticket prices, the airline may charge for extras such as food, priority boarding, seat allocating, and ...

An airline is a company that provides air transport services for traveling passengers and freight. Airlines utilize aircraft to supply these services and may form partnerships or alliances with other airlines for codeshare agreements. Generally, airline companies are recognized with an air operating certificate or license issued by a governmental aviation body.
