album hard rock crazy pdf

Hard rock is a form of loud, aggressive rock music. The electric guitar is often emphasised, used with distortion and other effects, both as a rhythm instrument using repetitive riffs with a varying degree of complexity, and as a solo lead instrument. Drumming characteristically focuses on driving rhythms, strong bass drum and a backbeat on snare, sometimes using cymbals for emphasis.

Hard rock - Wikipedia

Background. Members of this band had already released an album in 1968 as The Rockets, and had appeared on record twice with Neil Young as Crazy Horse. The core trio from the Rockets, Danny Whitten, Billy Talbot, and Ralph Molina, provided instrumental backing for Young's 1969 album Everybody Knows This Is Nowhere, and performed on some songs from Young's 1970 album After the Gold Rush.
