The economy of Plymouth Colony was based on agriculture, fishing, whaling, timber and fur. The Plymouth Company investors initially invested about £1200 to £1600 in the colony before the Mayflower even sailed. The colonists had to pay this money back over seven years by harvesting supplies and shipping them back to the investors in England to be sold.

Puritan history, as is taught in America today, usually focuses in on the Puritans during the 1600's as they were arriving in America. But to really understand the Puritans it is necessary to go back with them across the Atlantic Ocean to England. We must go back in time 100 years earlier to their origins in the England of Henry VIII.
