Now Elk Horn is host to the only authentic, working, Danish windmill in America. Shortly after this one was moved, a law was passed in Denmark stating that no more mills were allowed out of the country.

The Danish Windmill - Windmill History

Authenticity is a concept in psychology (in particular existential psychiatry) as well as existentialist philosophy and aesthetics (in regard to various arts and musical genres). In existentialism, authenticity is the degree to which an individual's actions are congruent with their beliefs and desires, despite external pressures; the conscious self is seen as coming to terms with being in a ...

History. The Trappist order originated in the Cistercian monastery of La Trappe, France. Various Cistercian congregations existed for many years, and by 1664 the Abbot of La Trappe felt that the Cistercians were becoming too liberal. He introduced strict new rules in the abbey and the Strict Observance was born.
