

ancient civilizations great empires pdf

African empires is an umbrella term used in African studies to refer to a number of pre-colonial African kingdoms in Africa with multinational structures incorporating various populations and polities into a single entity, usually through conquest.. Listed below are known African empires and their respective capital cities.

African empires - Wikipedia

The intricate culture associated with civilization has a tendency to spread to and influence other cultures, sometimes assimilating them into the civilization (a classic example being Chinese civilization and its influence on nearby civilizations such as Korea, Japan and Vietnam). Many civilizations are actually large cultural spheres containing many nations and regions.
